

## The Mountains.....

The mountains have slept  
The forests burnt  
The rivers wail their curses  
For the shores that sunk  
  
The valleys resound with death  
So do the alleys & lanes  
Life seems to be debris  
Strewn with pain  
  
The streets don the spits  
The air the soot  
Humanity hibernates in a shell  
For the inhumane to pollute  
  
The ice caps simmer  
Oceans wrestle for space  
The earth shakes in disdain  
With a ravaged soul & bleeding face  
  
The arrow – the sword – the rosary fight  
Sermons replaced by ire

The saints are dead long age  
The demons dance on their pyre  
But still we breath a vacuumed life  
From dawn to night  
Probably & possibly  
Sans a choice  
  
The true pride should be somewhere  
The eagerness to excel  
A boon to be humans  
Lets gather the pixels  
  
Not for us  
At least for our off springs  
Raise the human genes  
To have the demons sink  
  
Lets utopia India  
Lets garden Eden  
For every Ram – Rahim – Singh  
Dalai – Moses & Steven.

## God Exists???

A man went to a barber shop to have his haircut and his beard trimmed. As the barber began to work, they began to have a good conversation on various subjects, when they eventually touched the subject of GOD, the barber said, "I don't believe that GOD exists." "Why do you say that?" said the customer.

The barber replied, "Well, you just think that if GOD would be there, would there be so many sufferings and pain? Can't imagine a GOD who would allow all this." The customer thought for a moment, but didn't respond. Just then, he saw a man outside the barbershop in the street with long, stinky hair and untrimmed beard. He looked dirty and unkempt. The customer said to the barber, "you know What barbers do not exist." "How can you say that? I am here and I am a barber. I just worked on you," asked the barber. The customer exclaimed, "No, barbers do not exist because if they did, there would be no people with dirty hair and untrimmed beard, like that man outside."

"Ah! But barber do exist, what happens if people don't come to me? Said the barber.

"Exactly!" affirmed the customer, "that's the point, people don't look at GOD and don't seek his kindness and blessings. That's why, there are lots of sufferings and pain in the world," said the customer.

So, now if you think that GOD exists, look at him to seek his blessings in all your sad and difficult moments, and thank him in all your happy moments.
