## WORDS

A husband read an article to his wife about how many words women use a day...30,000 to a man's 15,000.

The wife replied, "The reason has to be because we have to repeat everything to men..."

The husband then turned to his wife and asked, "What?"

## CREATION

A man said to his wife one day, "I don't know how you can be so stupid and so beautiful all at the same time."

The wife responded, "Allow me to explain:

God made me beautiful so you would be attracted to me;  
God made me stupid so I would be attracted to you!  
God may have created man before woman, but there is always a rough draft before the masterpiece.

white hair sticking out in contrast on her brunette head. She looked at her mother and inquisitively asked, "Why are some of your hair white, mom?"

Her mother replied, "Well, every time that you do something wrong and make me cry or unhappy, one of my hair turns white."

The little girl thought about this revelation for a while and then said, "momma, how come ALL of Grandma's Hair are White?"

The children had all been photographed, and the Teacher was trying to persuade them each to buy a copy of the group picture.

A small voice at the back of the room rang out, "And there's the Teacher, she's dead."
