Its "SuDoku" Time !!!!

Hey Friends you have been practicing sudoku for a while now and its time to prove your potentials.
So solve the following sudoku & win the prize!!!!!!!!!!!!

So here we go.....ready, steady, get setgo!!!

A hit in Japan for a long time, this numbers game is becoming all the rage here in India.
All you have to do is put a number from 1 to 9 in each square so that:

- Every horizontal row and vertical column contains all nine numerals (1-9) without repeating any of them;
- Each of the 3x3 boxes has all nine numerals, none repeated;

		6	4					
	3				9	2		
	8			5				
		4		2			6	7
		7				9		
9	5			7		3		
				3			5	
		2	6				1	
					2	6		

If you solved it within:

15 Minutes, you're a True Expert!!

30 Minutes, you're no Slouch either

60 Minutes, or more, may be numbers aren't your thing....Keep Trying!!

So take your pen and paper and send your answers on or before 31st December, 2006.
