Hello Friends,

*In the blink of an eye ..time just slides away...hope you all have thoroughly enjoyed all the festivals till now including Deepawali & Eid, and we are not too far away from 2007!*

**Geetha Sridharan**

First Flight has done it! Not one.....Not two.....but with three aircrafts all set to conquer the industry. This was possible because of tremendous support and co-operation from our esteemed Customers and also with the hard work and dedication of each First Flight Family member.

***Foray in Aviation, FFCL is all set to target the industry with its high quality, high standards and an optimum quality service to the customers. Our cover page depicts the same.***

We would like to draw your attention to the 'Best Sketch' section for the very creative and innovative sketches. Our heartiest congratulations to **Ms. Deepika Pathak** (D/o Mr. R. K. Pathak – AGM – Ludhiana) and **Mrs. Krupa K. Joglekar** (W/o Mr. Kamallesh P. Joglekar, Systems Executive, Baroda) who have won for the 'Best Sketch', it was indeed fabulous!

We have got some great happenings in our network, some glimpses of the launch of Aviation, followed by some interesting articles and brainy contributions...check out for the same.

Currently the zest to lead a normal peaceful life has been threatened by filthy act of terrorism. A stage will come when human beings starts eating humans only.....on one end there is war, fights & corruptions on the other end there is rape, molestation, harassments. Why is this happening? For what its happening? Is it something to do with the basic karma of life? What we are today is it because of our karmic deeds?.....these never ending questions are quite unnerving and disturbing? Lets pray to the almighty that there is harmony and brotherhood in every part of the world.

It's indeed very correctly said that 'Time & Tide waits for none'. No single soul in the world can conquer things unless the right time really comes forward in its way.

So friends needless to say keep sending your invaluable contributions and let this in-house journal '**THE HUB**' keeps on moving and illuminating a never-ending saga of a lifetime.

Till we meet next.....enjoy reading!!!!!!
