Small tribute to the woman in your life....

Tomorrow you may get a working woman, but you should marry with these facts as well.

Here is a girl, who is as much educated as you are; who is earning almost as much as you do; One, who has dreams and aspirations just as you have because she is as human as you are;

One, who has never entered the kitchen in her life, just like you or your Sister haven't, as she was busy in studies and competing in a system that gives no special concession to girls for their culinary achievements.

One, who has lived and loved her parents & brothers & sisters, almost as much as you do for 20-25 years of her life;

One, who has bravely agreed to leave behind all that, her home, people who love her, to adopt your home, your family, your ways and even your family name.

One, who is somehow expected to be a master-chef from day #1, while you sleep oblivious to her predicament in her new circumstances, environment and that kitchen.

One, who is expected to make the tea, first thing in the morning and cook food at the end of the day, even if she is as tired as you are, maybe more, and yet never ever expected to complain; to be a servant, a cook, a mother, a wife, even if she doesn't want to; and is learning just like you are as to what you want from her; and is clumsy and sloppy at times and knows that you won't like it if she is too demanding, or if she learns faster than you.

One, who has her own set of friends, and that includes boys and even men at her workplace too, those, who she knows from school days and yet is willing to put all that on the back-burners to avoid your irrational jealousy, unnecessary competition and your inherent insecurities.

Yes, she can drink and dance just as well as you can, but won't, simply because you won't like it, even though you say otherwise.

One, who can be late from work once in a while when deadlines, just like yours, are to be met.

One, who is doing her level best and wants to make this most important relationship in her entire life a grand success, if you just help her little and trust her.

One, who just wants one thing from you, as you are the only one she knows in your entire house – your unstinted support, your sensitivities and most importantly – your understanding, or love, if you may call it.

But not many guys understand this.... Please appreciate "HER" I hope you will do.....

Encouraging Words

A group of frogs were traveling through the woods, and two of them fell into a deep pit. All the other frogs gathered around the pit. When they saw how deep the pit was, They told the two Frogs that they were as good as dead.

The two frogs ignored the comments and tried to jump up out of the pit with all of their might. The other frogs kept telling them to stop, that they were as good as dead.

Finally, one of the frogs took heed to what the other frogs were saying and gave up. He fell down and died.

The other frog continued to jump as hard as he could. Once again, the crowd of frogs yelled at him to stop the pain and just die. He jumped even harder and finally made it OUT.

You see this frog was DEAF, unable to hear the others plea. He thought they were encouraging him the entire time.

An Encouraging Word to someone who is down can Lift Them Up and help them make it through the day.

A Destructive Word to someone who is down can be what it takes to kill them.

Be Careful of what you Say. Speak Life to those who cross your path.

The Power of Words it is sometimes hard to understand that an Encouraging Word can go such a long way.
